Students planning to study abroad this summer for their Global Health requirement, should apply now as the program application deadline is March 1st for most programs. For more info on options to fulfill this requirement, please see this webpage: <http://links.asu.edu/SAO.global-health>. Students planning to substitute 6 additional credits of Global Health core coursework for their study abroad requirement need to submit a petition. (Please see the **Global Health Degree (BA)-Online Blackboard for the petition form or contact your SHESC academic advisor.)

BOLDED classes are ones which are highly recommended & preferred for Global Health students to take to fulfill degree requirements.
